Judge Nixon  
Magistrate Judge Knowles

**ORDER**

Pending before the Court is Plaintiff Jerrod Nile's Motion for Leave to Manually File Videotape ("Motion"), requesting the Court's permission to file a surveillance video in DVD format that contains footage relating to the grounds for Nile's termination. (Doc. No. 20.) Defendant Ingram Entertainment Inc. has filed a Response stating it does not object to the Motion, though it believes the Court may not have the required software to view the video. (Doc. No. 25.) Accordingly, the Court GRANTS the Motion and directs Nile file the video with the Court's chambers directly. The Court will notify the parties if it requires assistance in viewing the footage.

It is so ORDERED.

Entered this the 15 day of May, 2013.
